

STEVENS
INSTITUTE *of* TECHNOLOGY
THE INNOVATION UNIVERSITY®

The **Jérôme Lohez 9/11 Scholarship Foundation** was launched in November 2005 in honor of Jérôme Robert Lohez, a French citizen who passed away in the North Tower of the World Trade Center on September 11th, 2001. The foundation's mission is to foster French and American unity and cultural understanding, by supporting scientific and technological exchanges in higher education, in honor of those diverse citizens who perished in the 2001 attacks in New York.

As both Jérôme Lohez and his wife Dening Wu Lohez are Stevens graduates, the Jérôme Lohez Foundation has for more than a decade made scholarship opportunities available to international students studying in Stevens Institute of Technology School of Business Master's Degree Programs.

The deadline for applications is **December 31, 2023**. The board of internationally qualified professionals and academics will screen the applications. They meet to review submissions in January and scholarship winners shall be announced in January 2024 via the Lohez Foundation's [Website](#) and also on its [Facebook](#) page.

Guidelines

The foundation may provide scholarships to:

- One student from Stevens Institute of Technology – School of Business, pursuing a Master of Science Degree.
- The award ranges from \$2,000 to \$3,000, to be determined by the board of directors.
- All international students who participate in a master's degree program are eligible to apply to the scholarship program.

For International applicants wishing to study at Stevens Institute of Technology School of Business

Applicants must submit two essays:

- Ideals of religious and cultural tolerance, entrepreneurship, egalitarianism, and a spirit of generosity are the essence of the United States. Do any of these ideals inspire you to study in America and in what way?
- During your international study experience, how will you encourage opposition to global, violence-based ideologies?

Other application materials:

- A *cover letter* must be included.
- Applicants must submit *three letters of recommendation*: one academic reference, preferably by a professor who taught the applicant; one from an employer, preferably by a direct supervisor of the applicant; and one from a close associate who can describe the applicant's personal character. All letters of recommendation must include the contact information of those who are recommending the applicant.
- A *Basic Information Sheet* is downloadable in PDF from the application site; and once completed, it must be uploaded at the appropriate place on the application site.
- *Academic records* are mandated. Applicants must submit their transcripts from all colleges that they attended. Transcripts must carry an official seal, and applicants shall direct registrar offices to send transcripts to our foundation.

The time-stamp deadline for submission of all materials is **December 31, 2023**. Late applications will not be considered.

All materials may be submitted online at:
